

The Crisis Plan

1. Who is in charge of assessing an injury and beginning first aid until proper help arrives?
2. Is a phone available and are emergency numbers available?
3. Who will call the ambulance?
4. Who will control the crowd?
5. Is spectator safety accounted for?
6. Is a safe facility available for inclement weather?
7. Who will bring supplies and equipment?
8. Is an AED available, and where is it stored?
9. Who will transport or assist the athlete from the field?
10. Where is the safest and easiest access for EMS?
11. Who will direct EMS?
12. Who will notify parents?
13. If more than one person is injured, what is the triage plan?
14. Who takes accident report and witness statements?
15. How does the plan change per venue?
16. How will evacuation plans be enforced?
17. What should be done if someone forgets something?
18. Who talks to the press?
19. Who will provide counseling if needed in crisis?
