

**POWER STANDARD 5: I Can Play Fairly****SPIRIT OF THE GAME SHORT RESPONSE**Name: Melinda Lo

What are your strengths in demonstrating SOTG?

*I play fair. I consciously involve everyone on my team. I demonstrate sharing the ball, roles, and positions. I provide consistent, positive feedback to my teammates and my opponents. Along with my teammates, I help self-officiate games when necessary. After the game is completed I always shake hands with my opponents and thank them for a well-played game.*
