OFFENSE, DEFENSE, OR BOTH

Name: Answer Key

For each question, write the answer that best describes that particular strategy: *offense*, *defense*, or *both offense and defense*.

Offense	1. Making the field as large as you can, providing depth and width
Offense	2. Minimizing the mistakes made within the game; no turnovers, no interceptions, and so on
Offense	3. Being hard to guard, moving on the field; V-cuts, zigzag runs, hooks, changes in speed and direction
Defense	4. Staying compact and shrinking the space
Defense	5. Putting pressure on your opponents
Defense	6. Zone and person-to-person are examples
Both offense and defense	7. Smart, clear communication
