

Chapter 6 Websites

Center for Parent Information and Resources

www.parentcenterhub.org

CPIR is a central resource of information and products to the community of Parent Training Information (PTI) Centers and the Community Parent Resource Centers (CPRCs) so that they can focus their efforts on serving families of children with disabilities.

General Information on Physical Education, Coaching, and Recreation

www.aph.org/pe/

This site includes multiple links and resources for parents of students to review information about adapted physical education and activities and how to become involved in their state and community organizations. There is information depicting scenarios of students with disabilities and how to address and modify teaching strategies, which include behavior and promoting successful outcomes in school.

Modification of Instructing and Learning

www.twu.edu/inspire/physical-education.asp

This site provides teaching tips on adapting and modifying instruction for activities and games that address behavior and promote learning in students with disabilities.
