

Chapter 11 Websites

How to Create a Teacher Portfolio

www.wikihow.com/Create-a-Teacher-Portfolio

This website defines a teaching portfolio, its purpose, its typical contents, how to organize the portfolio, and a sample teaching philosophy.

National Center on Universal Design for Learning

www.udlcenter.org

This website provides the basic concepts of UDL and the UDL guidelines. Ways to implement UDL are discussed and the research that UDL is based on is provided.

Teaching Channel: Behavior Management

www.teachingchannel.org/videos?default=1

The Teaching Channel contains hundreds of videos of inspiring teachers. The site has approximately 50 videos on behavior that include such tips as setting the tone from the first day, creating a positive classroom culture, attention-getting signals, and cyberbullying. You must register to get on the site.

Iris Resource Center Behavior Management Modules at Vanderbilt University

<http://iris.peabody.vanderbilt.edu/resources.html>

This is a national resource center that improves educational outcomes for children with disabilities. The site includes an extensive library of visuals, scenarios, content knowledge, and expert advice on strategies to incorporate in special education. Included are six behavior and classroom management modules.
