### Tire Bridge

#### **Equipment**

One tire for each group member plus one extra tire.

#### **Starting Position**

The group starts on one side of the river (floor) with a stack of tires.

#### **Our Challenge**

The group completes the task by using the tire bridge to move from one side of the river to the other (across the river). The group must be on land with the tires stacked in a vertical stack.

#### **Rules and Sacrifices**

1. Only one person may be on a tire at a time.

2. If anyone touches the river with any body part, the group must move the bridge back behind the starting line.
3. If two people step on a tire at the same time, the group must start the task from the beginning.
4. The group does not complete the task until the tires are stacked in one vertical stack.
5. No one may call others by their last names or use put-downs.
