### Black Hole

#### Equipment

Two tires, one hula hoop, a rope and tape to suspend the hoop between the tires and basket, and mats and crash pads on the floor for safety.

#### Starting Position

All group members stand on one side of the suspended hula hoop (black hole). Group members must remain on the tumbling mats.

#### Our Challenge

The group masters the task when all group members have passed from one side of the hoop (outer space) through the hoop (black hole) to the other side (earth) without touching the hoop.

#### Rules and Sacrifices

1. All group members must pass through the hoop.

2. Group members may not touch the hoop or the ropes connected to the hoop.
3. No one may step over the dividing line.
4. All group members must remain on the mats or crash pads during the task.
5. Group members may not reach under, around, or over the hula hoop to help. They may reach through the hoop to help.
6. No one may call others by their last names or use put-downs.
7. No one may dive through the hoop.
8. If a group member breaks a rule, that person and one successful person (who passed through the hoop) must start over.
