
CHALLENGE CARD

Human Pegs

Equipment

Ten bases set up in a triangle and large cones to take the place of group members if the group does not have nine members.

Starting Position

Each group member stands on a base. The group places a cone on an empty base to take the place of a person if necessary. One base must be left open.

Our Challenge

Group members jump one another, one at a time, to eliminate teammates until only one person is left on a base.

Rules and Sacrifices

1. Group members may not touch the floor before being eliminated.

2. Team members may go over one another to a new base. They cannot walk around one another to a new base.
3. Only one person at a time may touch a base.
4. Group members can make all moves by jumping or stepping over teammates. They may not just step to a new base.
5. No one may use last names or put-downs.
6. If a group member breaks a rule, all group members get back onto a base, but they must start with a different base as the open base.

Human Pegs

Questions

1. What equipment do we get?
2. What are we trying to accomplish?
3. How do we make a move in this challenge?
4. What happens if we break a rule?
5. What do we do if we cannot make another move and we have more than one teammate left?
6. Can you think of any safety issues that we should discuss?
