## **CHALLENGE CARD**

### **Bridge Over the Raging River**

#### **Equipment**

Four tires, two long jump ropes, and two eight-foot (2.5-meter) two-by-fours.

#### **Starting Position**

All group members begin at the starting line at one end of the river with their equipment.

#### **Our Challenge**

The group completes the task when all group members have crossed the river without touching the floor. They take all the equipment with them.

#### **Rules and Sacrifices**

1. Group members may not touch the river (floor).

2. Group members may not step on a two-by-four if the board is in the river.
3. If a group member breaks a rule, the group must take all the equipment back to the starting line and begin again.
4. If the two-by-four touches the river under the weight of the team stepping on it, no sacrifice is required.
5. No one may call others by their last names or use put-downs.

*Safety note:* Be sure that no one steps on the end of a two-by-four so that the board flips up. Also, be careful that the board does not drop on anyone.
