### Spider's Web

#### **Equipment**

A spider's web and a safe base of mats beneath the web.

#### **Starting Position**

All group members start on one side of the spider's web.

#### **Our Challenge**

All the group members must pass through the spider's web to the other side without touching any part of the web with their bodies. If bells are hung from the web, the group must not cause them to make a sound.

#### **Rules and Sacrifices**

1. Each group member must pass through a different opening in the web.
2. No one may touch any part of the web with his or her body.

3. Group members may reach through the web to help a teammate, but they may not touch the web while helping.
4. No one may dive through the web.
5. The group may not toss anyone through the web.
6. If bells are hung from the spider's web, a sacrifice will be necessary if the bell makes a sound.
7. No one may call others by their last names or use put-downs.
8. If a group member breaks a rule, that person and a successful teammate (who passed through the web) must start the task again.
