
CHALLENGE CARD

The Whole World in Their Hands

Equipment

Two tires and one cage ball (or earth ball)
48 inches (120 centimeters) in diameter or
larger.

Starting Position

The group gathers around the cage ball while
the ball sits on the first tire.

Our Challenge

The group completes the task when it has
moved the ball from tire to tire a total of four
times, without allowing the ball to touch the
floor. The group must move the ball in a new
manner each time.

Rules and Sacrifices

1. The cage ball cannot touch the floor.
2. The cage ball cannot touch the hands or
arms of any group member.
3. If a group member breaks a rule, the
group must return the ball to the tire
where it was last sitting and start again.
4. The group must successfully move the
ball four times.
5. No one may call others by their last
names or use put-downs.

The Whole World in Their Hands

Questions

1. What is our starting position?
2. Where do we put the cage ball?
3. What body parts cannot touch the ball?
4. What happens if the ball touches the
floor?
5. What happens if we touch the ball with
our hands or arms?
6. How many times do we move the ball from
one tire to the other?
7. Can you think of any safety issues that
we should discuss?
