
CHALLENGE CARD

Great Balls of Color

Equipment

A sheet or tarp with five holes cut out, five colored balls, a catching container, and two scoops.

Starting Position

Group members spread out around the sheet. They hold onto the sheet with their hands. The container is placed beneath the sheet. One or two group members may be designated as scoopers. When the group is ready, the instructor or a designated person places the balls onto the sheet.

Our Challenge

All balls placed on the sheet must go through the corresponding holes in the sheet and land in the catching container.

Rules and Sacrifices

1. The hands of the group members must remain on the edges of the sheet or tarp.

2. No hands or other body parts may touch a ball.
3. The group may not move the container.
4. If a ball goes through the wrong hole, the group must start the task again (unless a scooper catches the ball).
5. If a ball touches the ground, the group must start the task over.
6. Scoopers may catch a ball that falls off the sheet or passes through the wrong hole. If they make the catch, they place the ball back onto the sheet.
7. Scoopers may not touch the sheet with their bodies or the scoop.
8. No one may use last names or put-downs.
