
CHALLENGE CARD

Stomp It

Equipment

A stomp-it ball launcher, five colored balls, and at least one poly spot or base per group member.

Starting Position

One group member stands by the ball launcher. The other group members stand on poly spots near the ball launcher.

Our Challenge

The group must complete two stages of this challenge. In the first stage, group members must catch all five balls before they touch the ground. In the second stage, each group member must catch a specific colored ball before the ball touches the ground.

Rules and Sacrifices

1. In the first stage, any group member may catch a ball.
2. If a ball touches the floor, the group rotates, a new stomper takes a turn, and the group tries again.
3. In the second stage, group members must each catch an assigned colored ball. If a ball touches the floor, or if a group member catches the wrong ball, group members rotate positions, a new stomper takes a turn, each group member gets a new assigned colored ball, and the group tries again.

Stomp It

Questions

1. What equipment do we get?
2. What happens if a ball touches the floor?
3. How do we know if we finish the first stage?
4. In the second stage, what happens if a ball touches the floor?
5. In the second stage, what happens if someone catches the wrong ball?
6. Can you think of any safety issues that we should discuss?
