### Riverboat

#### **Equipment**

Two folded tumbling mats, two small tires, and two jump ropes.

#### **Starting Position**

All group members begin at one end of the gym.

#### **Our Challenge**

Using the designated equipment, the group travels from one end of the gym to the other end without touching the floor (river).

#### **Rules and Sacrifices**

1. If a group member touches the floor, the entire group must go back to the starting position.
2. The group must take all equipment across the river.
3. The mats must remain folded. If the riverboat falls apart, the group starts over.
4. If the mat crashes to the floor (the riverboat explodes) and makes a loud noise, the group returns to the starting line.
