### Juggler's Carry

#### **Equipment**

Four large balls, a rope, and materials to make a barrier.

#### **Starting Position**

Group members start at the designated starting line, which will also serve as the finish line. Two large balls are placed at the starting (ending) line, and two large balls are placed at the mid-line.

#### **Our Challenge**

The team must transfer four large balls across the barrier. The group makes four trips, and on each trip the group adds one ball.

#### **Rules and Sacrifices**

1. No ball may touch the floor between the starting and ending line.
  2. Team members may not touch the balls with their hands.
  3. A different person or different group of people must pick up a ball on each trip.
  4. When traveling across the gym, all team members must be connected to one another and must be touching a ball.
  5. No one may use last names or put-downs.
  6. If a team member breaks a rule, the team must start over from the line where it completed the last successful trip.
