

Needs Assessment Focus Group Questions

Overall impression of recreation facilities

- Condition
- Adequacy
- Locations

Recreation facilities needs

- Types
- Top three

Future facility development strategy

- Would you prefer that parks and facility development is more centralized or decentralized? Why?

Programs

- What do you think of the current state of programming?
- What recreation programming needs does the community currently have?
- What do you feel are the top three programming needs?

Funding preferences

- How would you prefer to see future parks and recreation services paid for?
 - Through increased taxes, fees, or a combination of both

Overall impression of facilities and programs

“Magic Wand” question – if you could make **any** changes/add anything (facilities, programs), what would they be?
