GENERAL INFORMATION

What's Happening at Recreation?

Thank you to all of the staff who helped make Breakfast with the Bunny and the Egg Hunt a success. Families enjoyed seeing Mr. and Mrs. Bunny, having breakfast together, and partaking in other activities such as inflatables and crafts. After breakfast, children enjoyed the Egg Hunt held at Village Park. Our Springtide Craft Show was also a success this year with over 85 crafters bringing a variety of crafts to show. This is the largest attendance of crafters we have had to date for this event.

Some upcoming events to look forward to during the summer months include the Downtown Redevelopment Car Show and Neighborhood Park Parties in June; Independence Day Celebration on July 3rd; and RomeoFest in August. Please page through our brochure for further information regarding these events. **Please note** that for the summer season the Recreation Center will close at 5:00 pm on Saturdays and Sundays. These hours are in effect beginning the first weekend after Memorial Day through Labor Day weekend. Also, the Recreation Center will be closed on all holidays with the exception of Martin Luther King Day, Presidents Day, and Veteran's Day. If you have any questions regarding the change in weekend and holiday hours, please feel free to call us at (815) 886-6222.

The Village of Romeoville is anxiously anticipating the development of Boucher Prairie Park Phases II and III. Amenities for the final phases of this park project include an additional one-third mile loop to complete the half mile walking trail, a lighted shelter near the existing playground, a half court basketball court, a practice baseball field with a backstop, fitness stations, an inline hockey court, a splash pad with a cosmic theme, and a boardwalk and wetland overlook with interpretive signage and native plantings. Landscaping, berms, shade and ornamental plantings will be planted throughout the park site. The site will also include a 22-stall parking lot which is included in the Master Plan. This project is being funded in part by a \$393,000 OSLAD Grant from the State of Illinois. **Mather Park Phase II** construction that began last fall resumed this spring when planting could continue. Amenities to this phase of development will include a Four Seasons Garden as well as additional trails. Completion is expected this fall. **Nottingham Ridge Park** construction, which also began last fall, has progressed nicely. This park will include a playground, a climbing boulder, a shelter, pathways and landscaping. Due to the topography of the park site, which is located on inclined terrain, the park is being built on three connecting levels that will bring interest to the park area. **Deer Crossing Park** construction began in late summer of 2009 with completion expected in August of this year. Deer Crossing Park is part of the new Village Hall Project and is located directly behind Village Hall to the north. The project is being funded in part through a \$400,000 OSLAD Grant from the State of Illinois. The park site will include a playground for all ages with poured-in-place surfacing, swings, a net climber, musical chimes, an amphitheater, trails, and additional landscaping.

Look for new and exciting programs being offered for the spring session including: Teen Summer Vacation Series, gymnastics camps and clinics, Kids First Lacrosse Camp, Senior Strength class, adult painting classes, and the Chicago Film Tour.

Romeoville Veteran's Commission

The Village of Romeoville has recently formed a Veteran's Commission and is looking for your help! One initiative of this commission is to seek out and recognize Romeoville veterans. If you know of Romeoville veterans who have served in the past, or troops on active duty, please contact Colleen O'Connell or Marissa Cardoni at the Romeoville Recreation Department, (815) 886-6222 to submit their name and information. This information will help the commission recognize these servicemen and women and their families, as well as include them in future events and ceremonies.

COMMUNITY Awareness Program

The Romeoville Recreation Department would like to offer it's services to all community organizations. With that in mind, we have established a Community Awareness Program for Romeoville. The goal of the program is to make the entire community aware of the services that the Romeoville Recreation Department has to offer. We will be available to speak at any function (PTO, Banquets, Boy Scout Meetings, Parents Groups, etc.) to make people aware of all the recreation and service opportunities we offer, or just to answer any questions you might have. If you would like to schedule the Recreation Department to come to your next function, please contact the Romeoville Recreation Department at 815.886.6222 to schedule one of our staff members to attend your function.

In the event that I or anyone else nonetheless makes a claim or files suit against Releasees arising out of any of the above-described matters, I will indemnify and hold Releasees harmless of and from any and all damages or judgments and costs of litigation, including attorney fees. The provisions hereof are to be construed as broadly as possible in favor of Releasees, and this Agreement as a whole shall be governed by the laws of the State of Illinois (without reference to the conflicts of laws rules thereof). If any part of this Agreement shall be ruled invalid by a court having jurisdiction, the balance shall be enforced to the maximum possible extent. Toilet Training Policy:

Children enrolled in a Romeoville Recreation Department Program for ages 3 and older must be toilet trained unless it is a parent/toddler class. Recreation Department programs stress the importance of children practicing their independence and we do not aid children in the bathroom. Our instructors are not responsible for diaper changing or toilet training. The Recreation Department reserves the right to deny participation by a child age 3 or older if they are not toilet trained.

We Love Parents But...

With your child's best interest in mind, parents are invited to their child's last class meeting only. Our instructors always welcome the opportunity to discuss a participant's progress with parents at any time. Thank you for your cooperation.

The Romeoville Recreation Department is pleased to have Challenge Fitness of Lockport run tennis lessons and programs this summer. The tennis pros of Challenge Fitness are certified and teach tennis year-round to all levels and ages. Included in their program is the new Quick Start Tennis for junior players. The program utilizes smaller courts, lighter balls, and shorter nets for younger players to learn tennis easier and quicker just as other sports use different equipment and supplies given the ages of the participants.
