IN-DISTRICT RESIDENT RANDOM DRAW
REGISTRATION DEADLINE: SATURDAY, MAY 1, AT 1PM

ON-LINE REGISTRATION

July is Park and Recreation Month!

GET OUTSIDE, PACK A PICNIC, PLAY ON A PLAYGROUND, COMPETE IN A SPORT AND ENJOY THE SUNSHINE! The National Recreation and Park Association (NRPA) is celebrating National Park and Recreation Month this July – and all

Americans are encouraged to join in. Spending the day at the park is not only great for your wallet, it's great for your health too. Playing in parks helps children build and maintain healthy bones, muscles, and joints, improves self-esteem, and avoids at-risk behavior such as drug use and gang involvement.

“Everyone can and should visit their nearest park this month,” says Barbara Tulipane, NRPA CEO. “Spending the day at the park is a great way to bond with your family, connect with loved ones, and improve your mental and physical health.”

What is a CPRP/PPRP/APRP/CPSI

These initials are acronyms for the following:

CPRP – Certified Park and Recreation Professional
PPRP – Provisional Park and Recreation Professional
APRP – Associate Park and Recreation Professional
CPSI – Certified Playground Safety Inspector

These distinctions are earned through education, work experience, and national testing.

Safety First

Safety is of the utmost importance to us. We ask residents to immediately report any safety hazards in any Park District building or at any other Park District property to the Parks Department by calling (630) 540-4819, or to the Registration Office at (630) 540-4800.

Waiver Forms Required

Because of insurance purposes, your signature is required on the waiver portion of all registrations. Please read the waiver in full before signing. Registrations cannot be processed without the waiver portion signed.

Photo Policy

The Bartlett Park District reserves the right to photograph or videotape participants in Park District programs, facilities or parks for the District's promotional materials.

Bartlett Park District Board Meetings

The Park Board holds its regular meetings on the second and fourth Tuesday of the month at 7:30pm at the Thomas C. White Administration Building, 696 W. Stearns Road. If you have suggestions or if you would like to observe how the Park District operates, we encourage your attendance. Board agendas are posted on our website www.bartlettparks.org/general-info/board.

Brochure Changes/Errors Disclaimer

Due to the large amount of information available in the Bartlett Park District Brochures, errors and changes before and after publication may occur. We apologize for any errors in this brochure and will attempt to advise you of any changes as quickly as possible. Thank you for your patience and understanding when these situations arise.

The Bartlett Park District has been a Distinguished Agency since 1999. The Joint Distinguished Park And Recreation Agency is a voluntary program that uses a set of standards to identify agencies throughout the state that provide superior parks and recreation services to its residents.

In-District Resident/Out-of District Distinction

In-District Residents (those who pay taxes to the Bartlett Park District and support the Park District) have first priority in our random draw registration process. If you are unsure if you are paying taxes to the Park District, give us a call 630-540-4865 or check your property tax bill. Out-of-District residents who pay taxes to neighboring districts pay fees at up to 1½ times the resident fee for most programs. **(MAW)**

Resident Financial Aid Program

The Bartlett Park District recognizes that families and individuals due to circumstances beyond their control can experience severe financial problems. For this reason the Resident Financial Aid Program was created enabling residents to participate in recreational programs at a reduced fee.

To apply: Complete and submit a Financial Aid Application (available at the Registration Counter) and supply some of the required documentation: Federal tax returns, pay stubs, child support, alimony, rental property, retirement pension, Medicaid, Medicare.

For more information, contact Mary Ann Winters (630) 540-4865. A substantial portion of the funding for the Resident Financial Aid Program comes from donations by the Bartlett Parks Foundation. **(MAW)**

Insurance Disclaimer

The Bartlett Park District does not carry premises medical payments insurance coverage. The Park District is a local public entity and is subject to the Illinois Governmental and Governmental Employees Tort Immunity Act that provides certain immunities and defenses to claims for damages made against local public entities. Without these statutory immunities, fees associated with recreational activities, programs, properties and/or facilities could well be prohibitive.

Requests for Public Records

A Freedom of Information directory is displayed and F.O.I. forms are available at the Administration Center and Bartlett Community Center during open office hours. Requests for public records must be made in writing to:

NEW "Sugar" at Drury Lane

Based on the movie "Some Like It Hot" that landed Marilyn Monroe the 1960 Golden Globe award for Best Motion Picture Actress - Musical/Comedy. Two unemployed musicians witness the St. Valentine's Day Massacre in Chicago. In order to escape gangster Spats Palazzo and his henchmen, they dress as women and join Sweet Sue and Her Society Syncopaters, an all-female band about to leave town for an engagement at a Miami Beach hotel. Complications arise when Joe, now known as Josephine, falls in love with beautiful band singer Sugar Kane. Sugar wants to marry a millionaire, prompting Joe to disguise himself as the man of her dreams. Meanwhile, wealthy and elderly Osgood Fielding, Jr. is pursuing Daphne, unaware she really is Jerry in drag. As much as he knows he needs to reveal his true gender to his over-amorous paramour, Jerry is beginning to enjoy all the expensive gifts bestowed upon him on a regular basis. Total chaos erupts when Spatz and his gang descend upon the hotel and realize who Josephine and Daphne really are. Director Jim Corti is sure to strike another hit with "Sugar". Previously he was a Jeff Award nominee as Best Director for "Sweet Charity". **Meal choice must be selected at time of registration. Roast Pork or Roast Sirloin. Lap Lane Rules

Please select your lane carefully:

- Lane availability varies according to other scheduled classes, and an empty lane may not be available. Please choose a lane with swimmers exercising at a similar pace as you; please do not just choose a lane with the fewest swimmers.

Change lanes if you switch to a slower stroke.

- Please be prepared to switch lanes if the pool becomes busy or if your speed does not match that of the other swimmers.

Keep to the Right:

- If there are only two swimmers, line swimming is permitted.
- If a third swimmer enters a lane and wants to circle swim, all swimmers must circle swim.
- When circle swimming, swim clockwise.
- Slower swimmers should stay to the right and allow passing on the left. Refusing someone to pass can be rude and dangerous.

Be Courteous:

- Let other swimmers know when you get into their lane.
- Do not use kickboards, fins, or pull buoys when they will interfere with other swimmers.
- If your stroke interferes with other swimmers, you may be asked to switch strokes.

The Lifeguard is in authority:

- Our trained, certified lifeguards ensure the safety of all swimmers. If a lifeguard asks you to move to another lane, please do not be insulted or argue with the lifeguard.

Swim Lessons

The Bartlett Park District's swim lesson program is for swimmers of all ages. On the first day of lessons parents will receive a parent manual which explains each of the levels in depth, and gives information on each specific level. Due to the limited amount of space on our pool deck, parents will be asked to sit either in the bleachers or viewing area. For those who have already been in our swim lesson program, please sign your child up for lessons according to a previous swim lesson report card. **Before registering for a swim lesson, review your child's previous lesson history and age limitations of class. Classes fill quickly and transferring from one level to another is not always possible. If you have questions, please ask at the Registration Desk. Registration closes 3 business days prior to the start of the class.** List as many time/session choices as possible. Please note the time and dates of your lesson. No refunds or make-ups will be given for classes missed or forgotten. The park district reserves the right to combine class levels if deemed appropriate. **(LC, BM)**

Cancellations and Class Transfers

Cancellations will not be honored for classes missed or forgotten. A cancellation or transfer will only be considered when a form is submitted in writing to the office seven or more working weekdays prior to the beginning of the session. A \$6 cancellation administration fee is charged per participant per program. Forms are available at the registration counter or on our website. You may submit a written request with the following information:

- Participant's name, address and phone number
 - Class level, session dates and class time
 - Name, address, and phone number of person requesting the transfer or refund
 - Reason for cancellation
- All requests will be date-stamped and processed as received. *Child must attempt two classes before cancellation will even be considered.

What to bring

- Swim suit already on child
- Towel
- Report Card from previous session

What not to bring

- Swimming aids such as lifejackets, water wings or flippers
- Snorkel masks that cover the nose

On the first day...

Please arrive 15 minutes early. Guardians may either wait for their swimmers in the bleachers or the viewing room. It is important to keep the pool deck clear so the instructor can have your swimmers full attention during the class time. Please stay for the entire swimmer's class, in case of emergency where consent is required.

THE BARTLETT PARKS FOUNDATION

was created to help support the mission of the Bartlett Park District for items that are not usually financed by tax dollars, such as funding for Resident Financial Aid Program, Scholarships, Nature Center educational programs, artwork for the community to enjoy, etc. Check out the

sculptures around Bartlett donated by the Foundation. They are located at the Bartlett Community Center, Bartlett Park Log Cabin, Leiseberg Park, and Bartlett Aquatic Center. The Foundation has also donated the artwork that is hanging in the Bartlett Community Center.

Watch for our special events throughout the year such as the Earth Day Celebration in April, Turbo Turtle Race on the 4th of July, Annual Fishing Derby in August, and Twilight Golf Outing in September. A donation to the Foundation of \$100 or greater will be recognized with an engraved leaf or boulder installed on the Giving Tree wall in the lobby of the Bartlett Community Center. The Foundation is a non-profit 501(c)(3) corporation; any contribution made to the organization is tax-deductible.

Rain Procedure:

If it has rained the night before your lesson or has been raining during the day of your lesson, use the steps listed below:

1. After consulting with the National Weather Service Reports, use good judgment. If there is a 90% chance of continuing rain one hour before your class, you will not have class.
2. If you are still unsure after following step one, come to courts or call your instructor's cell phone.
3. If your class is cancelled because of weather, go to your next scheduled lesson. Your instructor will inform you about the make-up time.
4. Lesson make-up does not apply to players who simply skip a lesson. *A maximum of two rain make-ups for each lessons series is guaranteed.

Rain dates:

Session I: July 8 & 9

Session II: Aug. 9 & 10

Do not call the park district to determine if the class is meeting, since your make-up is listed above. If those dates do not work, you may attend a class of similar ability level during the session.

NWSRA exists to provide outstanding opportunities through recreation for people with disabilities. The Bartlett Park District is a member of a cooperative agreement among 17 park districts which form the Northwest Special Recreation Association (NWSRA). Celebrate ability throughout the Northwest suburbs! Join the celebration! The team of full-time Therapeutic Recreation professionals and trained part-time staff at the Northwest Special Recreation Association (NWSRA) offers safe, fun and quality year-round opportunities to individuals with disabilities of all ages and ability levels. Inclusion assistance provides individuals with disabilities the opportunity to participate in their home park district program. When registering, the parent of the individual should inform the park district (and NWSRA, if desired) of any accommodation needed in order for the individual to successfully enjoy the program. The park district staff will then contact NWSRA for assistance with the accommodation.

For more information on NWSRA, check out www.nwsra.org.

Brochures may also be picked up at the park district main office or at the NWSRA office at Park Central, 3000 W. Central Road in Rolling Meadows. NWSRA may be contacted at 847/392-2848 (voice), 392-2855 (TTY) or 392-2870 (fax).

NEW High School Girls Soccer League

We are extending our soccer program to include a new league for high school girls (Grades 9th-12th). Teams will be formed fairly, dividing grade and ability between teams where possible while allowing for friends to play together. New and experienced players are all welcome. This league will play against the Inter-Village teams of Carol Stream, Elgin, Hanover Park, Streamwood, Bloomingdale and Medinah, assuming each district can form a team. Find your friends and come out and have some fun on the soccer field!

Look out for High School Boys Soccer League coming in Spring 2011!

Guidelines & Important Information

Please read carefully before registering

1. To participate, complete and submit the Sports Registration Form on page 31 by the Saturday, June 26, 1pm. All registrations received by the deadline are guaranteed to play. Registrations received after the registration deadline will be placed on a waitlist and are not guaranteed placement on a team. Placement will only be done when an opening occurs. No players will be added to teams once games have begun. Coaches do not have the authority to allow a player to be added to his/her team.
2. Only a parent or legal guardian may register a child and sign the waiver. Registration is by grade level. Players are registered for the grade the player will be in that session. "Playing up" is not encouraged but those requesting to do so must receive the approval of the Recreation Supervisor. Submit your registration form and payment with your request to "play up" and you will be contacted at a later date with a determination.
3. Refunds requested after the registration deadline will be issued only if and when a replacement player is registered. A \$6 administrative fee is charged per person. Depending on the time of the refund request we cannot guarantee a refund of the uniform portion of the fee.
4. Due to the size and nature of the program, we cannot accept coach, player, friendship or carpool requests, except for 7th/8th grade.
5. Practice times and locations are determined by coaches and are typically 1-1.5 hours, one or two nights a week. Games are typically played on Saturdays but occasional weeknight games may be scheduled. Fall 2010 game season is September through October, or early November, depending on weather. Games cancelled due to inclement weather are not guaranteed to be made up.
6. 3rd - 12th grade teams play in an intervillage league with surrounding communities up to 20 minutes away with the exception of 3rd/4th Grade girls who will play in-house at Bartlett.
7. Volunteer coaches are needed. Please consider volunteering as a coach. Many coaches are needed to make this a great program! We provide equipment, training, and resources. Complete the bold section on the registration form and be sure to provide an e-mail address. Unfortunately, if not enough coaches volunteer, the program is forced to have large teams, reducing playing time or limiting the number of teams within the leagues.
8. No jewelry can be worn at anytime, (games or practices).
9. Good sportsmanship is promoted in this recreational program. All players will receive equal training and game time whether they are novices or seasoned players.
10. For additional information please call Lynsey (630) 540-4843 or lheathcote@bartlettparks.org

- Let faster players play through when the course is not busy.
- When busy, your group must keep pace with the group ahead, no playing through.
- When busy a pick up rule after 6 strokes is recommended; place on green – 3 putt maximum.
- Pull carts are not permitted on the putting greens.
